

Welcome To Copacapitals Ltd

The Human Energy Company

 **COPA CAPITALS**

Copa Capitals Ltd is a leader in renewable energy infrastructure with more than 10,400 MW of its own power installed over 16 countries across 5 continents. Copa Capitals Ltd has extensive oil and gas exploration and production operations around the world. In 2017, we produced 2.6 million barrels per day of oil-equivalent. Copa Capitals Ltd has an exceptionally strong portfolio, with key operations in the world's most important oil and gas regions. We are one of the largest producer of oil and gas in Kazakhstan and Thailand, and we are the top crude producer in Indonesia. In Australia, Copa Capitals Ltd is the largest holder of undeveloped natural gas resources. We are among the largest holders of deepwater acreage in West Africa and hold the most leases in the combined Shelf and Deepwater Gulf of Mexico. We are working aggressively to capitalize on recent discoveries. These projects are strategically located in regions with some of the greatest growth potential in the world.
